I would personally like to thank all who have made this possible. Thank you to my family for all you do back home and supporting my dreams of raising high quality livestock. Thank you to my sheep family for all the advice and help down at Louisville this year. This truly could not be done without your help. I am looking forward to the many years ahead we have together in this industry. What I love most about this group of people is their loyalty and willingness to help people. We are not in this 'game' to strictly raise sheep to make a sale. We are in it because it is a part of who we are and the love we have for raising sheep.

**We would like to wish everyone a MERRY CHRISTMAS
and a HAPPY NEW YEAR!**
**A big thank you to all who have shown interest in our sheep, we are
blessed to have your business**

**A special shout
out to
Tony Stanely
and his family for
all their success
this year!**
